December 2017
Camp Edition No 6
Teens Camp

Camp begins this weekend with the staff team heading out to Bihembe to begin the mammoth task of setting up for approximately 50 campers and 25 leaders (counsellors). Our campers come from around the country, with kids from villages and from the city; kids who've attended church their whole lives and those who've never been. Some will be familiar with the Gospel story and some will have never heard it. Pray for our leaders as they share the love of Christ with all of our teens; that it will touch their hearts, no matter their background.

One of the first games played at camp.

Our camp director is Queen – she's been involved in the 3DCC ministry for many years, but never directed a camp before. She will be assisted by Eric, who is an 'old hand' when it comes to running camps! Danny will once again be heading up the kitchen team, but this year he'll be training others to lead in the kitchen so that he can develop skills in other areas. Please keep these guys in your prayers over the next 2 weeks.
