JULY 2016

Camp Edition 8
Forma'Camp

Why is it that holidays seem to fly by? Hard to believe that June is over and Forma'Camp starts tomorrow!

Family:

The kids participated in a week each of 'summer camp', Makena enjoyed outdoor games, Keama had a blast developing soccer skills. It's been work as usual for Pete as he gets organised for camp. We've also been taking care of baby Jubilee these holidays. The middle of the night wake up calls have been a shock to the system, but we are enjoying being a family of 5 for the moment.

3DCC:

HUGE Thank yous to everyone who contributed to our camp maintenance fund – we were overwhelmed by your generosity and it looks like we'll be able to complete all of the needed work. Thanks also to those who sent funds for Guillame who headed off to Uganda for the FUEL program; he's currently in Uganda and having a great time.

The Forma'Camp leadership team have been meeting together regularly over the last few weeks and will head to camp tonight to pray before we start tomorrow.

One of our two short-termers has arrived, the other arrives tomorrow – please pray for them as they adjust, they are well and truly being thrown in at the deep end, coming straight to camp!

We'd love it if you could join with us in praying for camp – daily prayer points are in the blue prayer box.

Fun fact: We are often not 100% sure of how many campers are coming until the day camp starts!

1 John 2: 6

"Whoever claims to live in him must live as Jesus did."

Praise God:

- For provision on funds to get the maintenance work done at camp, and for Guillame to go to FUEL

Please pray for Camp:

- 14th – for a great day of working together as a team to prepare the campsite
- 15th – that God will be preparing the hearts of those coming to camp
- 16th – for safety as the campers travel to camp
- 17th – that the campers who come will be enthusiastic and participate fully
- 18th – that we will have good health, and safety among all campers and leaders
- 19th – that the teaching will be clear, well received and challenging
- 20th – that Makena, Keama and Jubilee cope with being at camp
- 21st – as we pass the half-way mark of camp, that the leaders will remain unified and enthusiastic
- 22nd – that the campers will use the lessons they have learned at camp in their churches and communities
- 23rd – for hearts to be touched and transformed
- 24th – for safety as the campers head home and a smooth pack-up for the leaders
- 25th – for safety as the leaders travel home
