

Look to the Hills

PETER & CATHERINE GITAU

JULY 2019

With less than a week until Forma'Camp 2019 begins we are well and truly back into the swing of things, despite only being home for a week. We are looking forward to a small team from Nowra Baptist Church joining us at camp – they arrive a couple of days before camp starts. We also have 2 visitors from Europe joining us, plus a new AIM teammate – Victoria – who will be with us for a year. That gives us quite a large number of 'bazungu' (white people) at camp, but it's so encouraging that they are interested in the ministry and in supporting and experiencing camp first-hand.

Pete and Keama have done a camp-run so that Pete can get an idea what maintenance needs to be done before camp starts; another supply delivery will happen in the next week as well. The leadership team have been collating registration forms and conducting interviews – it's looking like we might have around 70 campers this year.

Please join us in praying for camp each day by using the guide in the blue box. We'll also post on the facebook page (www.facebook.com/3dccrwanda) so that you can follow the action and pray for other things as they pop up.

Thank you for being part of this ministry and for praying with us and for us as we head to camp.

Peter & Catherine

Fun fact: Beans and potatoes are an everyday staple on the menu at camp!

John 13:15

"I have set you an example that you should do as I have done for you."

Praise God:

- For the enthusiasm we are seeing for Forma'Camp this year
- For our amazing leadership team and their willingness to commit to this ministry

Please pray for Camp:

- 13th – that those who have registered will be prepared physically, mentally and spiritually
- 14th – for a great day of preparation time
- 15th – for safety as the campers travel to camp
- 16th – that the leadership team will be a cohesive group who communicate well
- 17th – that the leaders will form positive and strong relationships with their groups of campers
- 18th – for good health and safety for everyone at camp
- 19th – that the campers would have a willingness to challenge themselves, learn and grow in faith
- 20th – that the teaching will be clear, well received and challenging
- 21st – as we pass the half-way mark of camp, that the leaders will remain unified and enthusiastic
- 22nd – that the campers will use the lessons they have learned at camp in their churches and communities
- 23rd – for safety as the campers head home and a smooth pack-up for the leaders
- 24th – for a positive de-brief time and safety as the leaders travel home
